Virtual Social Skills!

Are you running out of engaging activities to do with your kiddo?

Is the same old thing getting boring?

Do your kids miss some social interaction and interactions?

Virtual Social Skills are coming to Expressive Beginnings & open to the public!

We are excited to serve kids here in our community!

Small groups of 4-6 will meet for one hour per week. Participants will be encouraged to participate in interactive games, facilitated discussions, and building friendships.

Sessions will be uniquely tailored to target individualized goals, such as:

conversation

coping strategies

self-management

perspective taking

social cues

Clients will engage in interactions and technology in a new way and from the convenience of their home.
